Gentlemen:

This letter is to provide special information concerning admittance of an NRC contract employee of Battelle, Pacific Northwest Laboratories, to the Fort St. Vrain Nuclear Station. The person identified in the Special Enclosure is scheduled to visit during the week of September 23-27, 1985, for an Emergency Preparedness Inspection.

The person identified will require escort to the administrative offices, protected areas, and vital areas during his visit.

We request that a site orientation covering issuance of badges, escort duties, and emergency evacuation be afforded the person listed, if such training has not been previously provided.

Should you have any questions concerning this matter, please contact me at (817) 860-8108.

Sincerely,
