

January 28, 1997

Mr. Bruce D. Kenyon, President
and Chief Executive Officer
Northeast Nuclear Energy Company
P.O. Box 128
Waterford, CT 06385-0128

Dear Mr. Kenyon:

This letter is to acknowledge receipt of your January 15, 1997, letter, proposing the selection of a contractor and independent verification team for the conduct of the Unit 1 Independent Corrective Action Verification Program (ICAVP). We understand that you will be prepared to discuss the details of the Unit 1 proposal and selection process at the meeting scheduled on February 5, 1997.

Since your proposed contractor for Unit 1 is the same organization you have proposed for Unit 3, Sargent & Lundy, we request that you discuss the issues listed in my letter to Mr. John Paul Cowan of January 13, 1997, at the February 5 meeting. As with the Unit 1 proposal, the emphasis of our review will be on the financial and technical independence of the contractor.

If you have any questions regarding the issues to be discussed, please contact Eugene Imbro at (301) 415-1490.

Sincerely,
