Gentlemen:

Pursuant 10CFR50.54(p), enclosed are the original and three copies of Revision 18a to the River Bend Station (RBS) Physical Security Plan (PSP). These additional changes were made to enhance the clarity of Revision 18 to the PSP and to reflect one additional change related to the RBS vehicle barrier system. Revision 18a changes are reflected by double change bars. A summary description of each of the changes is also enclosed. These changes have been determined to not decrease the effectiveness of the security program.

The RBS Physical Security Plan is considered "Safeguards Information" pursuant 10CFR73.21 and should be handled accordingly. Should you have any questions, please contact David N. Lorfing at (504) 381-4157.

Sincerely,
