Mr. Chan Van Vo
[REDACTED]

Dear Mr. Van Vo:

SUBJECT: RII-84-A-0143

This refers to your letter of October 5, 1984, in which you provided us a copy of your affidavit wherein you identified construction deficiencies at the Shearon Harris Nuclear Power Plant.

We have initiated actions to pursue this matter through our inspection process, and we will forward to you a copy of our resultant findings when our inquiry is completed.

In closing, let me assure you that every effort will be made to resolve these issues. The U.S. Nuclear Regulatory Commission has been given the mandate to protect the public health and safety with regards to application and use of nuclear materials. We engage in major efforts on a daily basis to fulfill this mandate by ensuring conformance to regulatory requirements. It is concerned citizens such as yourself, who in bringing concerns to our attention, help us to meet these demanding responsibilities. We appreciate your assistance and should you have additional questions, please do not hesitate to contact me.

Sincerely,
