(b) Letter, USNRC to VYNPC, NVY 85-151, dated July 23, 1985

Subject: Summary of Radioactive Effluents Released from Commercial
Nuclear Power Plants; Verification of 1983 Data for Vermont
Yankee

Dear Ms. Tichler:

By letter, dated July 23, 1985 [Reference (b)], NRC's Office of Resource Management requested we directly provide you with verification of the accuracy of the enclosed 1983 Vermont Yankee effluent release data.

Attached with this letter are marked pages incorporating the corrections resulting from our review. Please do not hesitate to contact me should you have any questions or require additional information.

Very truly yours,

R. W. Capstick
Licensing Engineer

RWC/dps
