Mr. James Keppler
 Regional Administrator
 U. S. Nuclear Regulatory Commission
 Region III
 799 Roosevelt Road
 Glen Ellyn, Illinois 60137

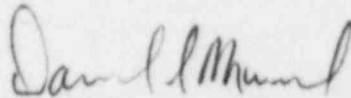

Subject: Duane Arnold Energy Center
 Docket No. 50-331
 Op. License DPR-49
 Transmittal of Semiannual Effluent
 Release Report

Dear Mr. Keppler:

Attached is the subject report for Duane Arnold Energy Center. This report is being submitted pursuant to 10 CFR 50.36a and Technical Specification, Appendix B, Section 5.4.1.

As per discussions with Loren Hueter we plan on filing an amendment to this report, including a planned liquid release which occurred on May 31, 1985.

Sincerely,

Daniel L. Mineck
 Plant Superintendent - Nuclear
