Dear Mr. McCann:

At the conclusion of our June 21 meeting we agreed that you would copy information pertinent to the review of the Dow incinerator inspection. I look forward to receiving it and request that the following information be included as well:

1. Dates of NRC sampling and proposed sampling and/or inspection.
2. Protocols for such sampling.
3. Information as to EPA involvement or co-ordinated efforts between NRC and EPA.
4. The date NRC work is expected to be completed and reports/evaluations prepared.
5. Date Dow is expected to receive new or amended license.

Sincerely,

Andrea K. Wilson, Assistant Director
