PMS HON JOSEPH M HENDRIE CHAIRMAN

NUCLEAR REGULATORY COMMISSION

WASHINGTON DC 20555

MY UNDERSTANDING THAT KEY LICENSE FOR GRAND GULF NUCLEAR PLANT
IN MISSISSIPPI IS BEING DELAYED, PARTIALLY DUE TO WORK LOAD
RESULTING FROM ACCIDENT AT THREE MILE ISLAND. MASSIVE FINANCIAL
INVESTMENT AND DEPENDENCE OF LOCAL GOVERNMENTS ON PAYROLL
MANDATES THERE BE NO LENGTHY DELAYS IN GETTING THIS PLANT ON LINE.
REQUEST YOU TAKE WHATEVER ACTION IS NECESSARY, CONSISTENT WITH
YOUR OWN GOOD JUDGMENT AND THE REQUIREMENTS OF ABSOLUTE NUCLEAR
SAFETY, TO EXPEDITE GRANTING OF LICENSE IN QUESTION.
PLEASE PROVIDE ME WITH A REPORT ON THIS MATTER. BEST REGARDS.
JON HINSON MEMBER OF CONGRESS.
