Re: Additional Information Relating to Amendment #48
for NRC License #12-00089-02

Dear Ms. Whiston:

Enclosed, please find the Form NRC 314 and supporting documents that you requested in your letter of June 26, 1985. These documents relate to the Nickel-63 source.

In addition, we have noted that Dr. R. Bilinsky has been incorrectly listed under Condition 10. He should be listed as Richard T. Bilinsky, M.D.

If you need further information or clarification, please let me know.

Sincerely,

Randy B. Maxey, M.S.
Radiation Safety Officer
