Mr. Charles L. Elkins
Acting Assistant Administrator
for Air and Radiation
U.S. Environmental Protection Agency
Washington, D.C. 20460

Dear Mr. Elkins:

Your letter to Chairman Nunzio Palladino dated March 18, 1985, provided information copies of the Environmental Protection Agency's (EPA) comments on our recent rulemaking notices on uranium mill tailings. The EPA comments have been docketed and are being analyzed. We appreciate your input on our efforts to conform our rules to your standards for these materials.

Sincerely,

(Signed) John G. Davis
