Dear Mr. Hickey:

The purpose of this letter is to inform you that we have vacated the 5018 Chase Street, Downers Grove, Illinois premises.

Prior to the release of the premises, a comprehensive radiation survey was made to ensure that contamination limits were met per N.R.C. guidelines. We understand that copies of the survey report are to be filed with the Fuel Cycle and Material Safety Branch, and with the Office of Inspection and Enforcement. This letter is intended to comply with these requirements.

Sincerely,

Tom Barakat
