Specification - Appendix A submittal

Dear Mr. Michaels:

As per your telecons on Friday, April 11th and Monday, April 14th with BMRC
Operations Manager Mark Adams, we are submitting this letter in response to your
request for minor changes to page 23 of our Technical Specification submittal.

Enclosed you will find revised pages 23 and 24 of Appendix A - Technical Specifications
(Possession Only) for the Buffalo Materials Research Center State University of New
York at Buffalo. We have changed Section 15.2 - Reportable Occurrence Reports and
Section 15.3 - Safety Event Reports to reflect the notification requirements and written
report address that you indicated to us.

Please replace these pages in your copies of our submittal. If you have any questions or
desire any other changes, please contact me.

Sincerely,

David R. Vasbinder
Director
