RCP Trip Issue

Ref: NRC Letter 84-59, Dated July 2, 1984

Dear Mr. Miller:

Westinghouse and the Westinghouse Owners Group are currently addressing the questions received in letter NRCS-84-59, dated July 2, 1984, concerning the contents of WOG letters OG-110 and OG-117 regarding reactor coolant pump trip. Due to the work scope involved in responding to these questions, the expected final response date is September 29, 1984. Westinghouse and the WOG are available to discuss this schedule at any time.

Very truly yours,

J. D. Sheppard
