MEMORANDUM FOR: John W. Wingham, Deputy Director
Division of ADP Support
Office of Administration

FROM: Joanne Keyser, Contract Specialist
Technical Assistance Contracts Branch
Division of Contracts
Office of Administration

SUBJECT: RFP NO. RS-NMS-81-030 ENTITLED "ANALYSIS OF SAFEGUARDS
NEEDS FOR TRANSPORT OF HIGH LEVEL WASTE"

The Request for Proposals for the subject procurement required by the Office of Nuclear Material Safety and Safeguards is hereby transmitted for your review for pertinence and adherence to Nuclear Regulatory Commission's Automatic Data Processing and Telecommunications policies.

We would appreciate receiving your views on the extent that ADP would be involved in this procurement. We envision a small amount of ADP effort would be involved in Tasks 2 and 3.

Please acknowledge your receipt and review of the enclosed document by November 21, 1980. If you have any questions, please contact Joanne Keyser on X74480.

*There is no way to determine or
estimate the magnitude of computer
use - if any - that might be necessary.
You can only wait to see what the
Bidders say in their proposals.
We will be glad to review and advise
at that time.*
