Subject: Catawba Nuclear Station  
Docket No. 50-414,  
Supplemental Letter

Re: November 11, 1985 letter from  
Mr. Hal B. Tucker to Mr. Harold R. Denton  
Subject Catawba Nuclear Station,  
Docket No. 50-414, Collectively entitled:  
"Catawba Nuclear Station Physical Security Plan".

Dear Mr. Denton:

Based on discussions between your staff and my staff my letter referenced above is supplemented with the following information related to the Catawba Nuclear Station Physical Security Plan for your information and necessary action.

Catawba Nuclear Station Physical Security Plan

Revision 9 dated October 11, 1985 (transmittal letter dated October, 1985), Revision 10 dated November 11, 1985 (transmittal letter dated November, 1985)

"should be"

Revision 9 dated October 11, 1985 (transmittal letter dated October 16, 1985), Revision 10 dated November 11, 1985 (transmittal letter dated November 11, 1985), Revision 10 additional pages dated December 16, 1985 (transmittal letter dated December 16, 1985).

Catawba Nuclear Station Security Officer training and Qualification Plan. Reference to revision 5 dated November 1983 (transmittal letter dated November or December 1983) should be deleted. Revision 5 was drafted but was not formally issued. Revision 6 dated September 1, 1985 (transmittal letter dated September, 1985). "should be" Revision 6 dated September 1, 1985 (transmittal letter dated September 30, 1985).
