OFFICE OF SECRETARY

SERVED DEC 17 1985

FROM: John H. Frye, III, Administrative Judge

SUBJECT: SEQUOYAH FUELS CORPORATION - DOCKET NO. 40-8027 -MCA

On December 3, I forwarded a request for a hearing on the Comprehensive Radiological Waste Storage and Disposal Plan of Sequoyah Fuels Corporation (SFC). This request was filed by the Native Americans for a Clean Environment Client Council (NACE). I also forwarded a request from the National Water Center (NWC) seeking to raise the matter of the Disposal Plan in the proceeding over which I preside which concerns the addition of a UF<sub>6</sub> to UF<sub>4</sub> conversion facility at the SFC site.

The Arkansas Peace Center (APC) has also sought to raise the issue of the Disposal Plan in my proceeding. I have denied that request for the same reason that I denied the similar requests of NACE and NWC. I am forwarding APC's request for inclusion with NACE's request for a separate hearing on the Disposal Plan.
