Respirators - Radiation

Will you instruct all of your supervisors to enforce the wearing of respirators under the following conditions:

- 1) When there is dust visible in the atmosphere of any working area.
- 2) When walking through any areas in which there is visible atmospheric dust.
- 3) When organizing work details in which a dust situation is anticipated.
- 4) When men are working in an area serviced by dust collection equipment which is inoperative.
- 5) In any situation in which it is apparent that the use of a respirator will eliminate the inhalation of harmful concentrations of dusts.

The supervisors are to be responsible for the enforcement of the above. In so far as the men supervised are concerned, the wearing of respirators in the above situations is a condition of employment. We are open to suggestions as to type of respirator in the event of complaints as to breathing difficulties.
