Re: Arata v. Westinghouse

Dear Dr. Glenn:

Upon receipt of this letter, would you kindly advise the undersigned as to what radioactive materails were being labeled by Westinghouse, at their Bloomfield, New Jersey plant between the years 1970 to 1978. Also, kindly advise as the significance of 4451 emission in terms of radioactive classification.

Thank you very much for your courtesy and cooperation.

yours, ruly GLEN A VIDA GJV/be
