Dear Sir:

As of March 16, 1984 our Radiation Safety Officer is leaving the company. Since we will be left with out an R.S.O. we would like to have our license amended so Walt Burnett could be recognized as the R.S.O. till a replacement or a buyer of the truck & source could be found. As of March 16, 1984 the source has been locked up down hole and a leak test has bee taken. If you should need anymore information concereng this matter you should contact our R.S.O. that is on the license at this time area code 918-358-3045 or 918-358-3518.

Sincerely

Bill Wadley
