

FEB 27 1986

Mr. Roger Kowieski, Chairman
Regional Assistance Committee
Federal Emergency Management Agency
Region II
26 Federal Plaza
New York, New York 10278

Dear Mr. Kowieski:

The Emergency Preparedness Staff has reviewed the revised Westchester and Putnam County, New York, Emergency Response Plans and Procedures that were received by this office during January 1986.

The revisions for both Emergency Plans and their Procedures provide additional information, specificity, clarification, and updated response personnel alert lists.

It was noted that the Putnam County Plan has Figure III-1 as Page 35 and also Page 39. A Figure depicting the revised Response Organization was not received for Procedure No. 7, Page 29. The Westchester County Procedure No. 5 does not contain a referenced Table III.

In general, the revisions improved both County Plans and Procedures.

Sincerely,
