SUBJECT: LETTER OF NOTIFICATION TO THE U.S. NUCLEAR REGULATORY COMMISSION  
DATED 05/12/97

Dear Dr. Cartwright:

We are in receipt of your letter notifying our office of the change in the status of physicians at your facility who are authorized to use NRC-licensed materials. Your letter informs us that you have added Dr. Surjeet Pohar as an authorized user of licensed material pursuant to 10 CFR 35.13. You did not, however, provide us the information required in 10 CFR 35.14 to support your actions.

Please resubmit your letter of notification and include the following specified information :

- X Either a copy of Dr. Pohar's board certification, the NRC or Agreement State license which lists Dr. Pohar as an authorized user, or, if he worked under a broad scope license, the permit issued by that licensee.
- X A description of the licensed materials Dr. Pohar will use, eg., materials listed in 10 CFR 35.100, 35.200, etc.

Your original letter is being returned to you. Be advised that you are required to provide full notification to the NRC of physicians that you permit to use NRC-licensed material no later than 30 days after that authorization has been granted. We look forward to receipt of the information requested.

If you have questions or require additional information, please contact the Materials Licensing Branch at 630/829-9887
