Rec'd 1-10-86

Dear Mr. Felton:

SUBJECT: RECORDS IN POSSESSION OF MR. BERNERO CONCERNING PALO VERDE

I am enclosing Mr. Bernero's letter which purports that his staff examined the unofficial leak rate test curves, the test having been performed prior to the 1982 official test.

Under USC 552, as amended, and under 10 CFR, Subpart A, I request that the following materials with Mr. Bernero and/or his Staff be made public:

- 1) List of all records in his and/or his staff possession or use related to Palo Verde, U 1, 1982, test. Indicate destroyed or unavailable records, if any.
- 2) Unofficial leak rate test curves which he claims to have examined.

I request that the fee be waved for these materials which may reveal the extent of deficiency in the deficient Palo Verde, U 1, 1982 test. I shall expect to hear from you in 10 working days.

Sincerely,

Z. Reytblatt
