THIS TRANSMITTAL CONTAINS EMERGENCY
 PREPAREDNESS EXERCISE INFORMATION
 THAT SHOULD NOT BE RELEASED TO THE
 PUBLIC DOCUMENT ROOM PRIOR TO
 JUNE 9, 1997.

Reference: Docket No. 50-285

SUBJECT: Fort Calhoun Station 1997 Emergency Preparedness Exercise

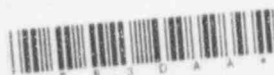

Enclosed are the Scope and Objectives for the Fort Calhoun Station 1997
 Emergency Preparedness Exercise to be conducted on Tuesday, June 3 and
 Wednesday, June 4, 1997. The submittal is being transmitted ninety days prior
 to the exercise in accordance with established standards.

A copy of this transmittal is also being sent to the Federal Emergency
 Management Agency (FEMA), Region VII, for their information. As the States of
 Iowa and Nebraska have communicated directly with FEMA concerning their Extent
 of Play memorandums, Omaha Public Power District is only enclosing the onsite
 objectives in this transmittal. The Offsite Response Organizations' exercise
 objectives are not included in this transmittal, but are available directly
 from FEMA, Region VII.

The Omaha Public Power District will submit a complete scenario package to the
 NRC and FEMA sixty days prior to the exercise.
