Subject: Identification Number for BB-250-3

Dear Mr. MacDonald:

The Nuclear Materials Division of Babcock & Wilcox requests an NRC identification number for the BB-250-3 shipping container. This container previously had a DOT SP-5768 as did the BU-3 and BB-250-2. These latter containers have had an identification number assigned to them but the BB-250-3 has not. The BB-250-3 was authorized for use originally in amendment 71-26 to license SNM-145, Docket 70-135.

Please register Babcock & Wilcox to use this container under licenses SNM-145, Docket 70-135; SNM-414, Docket 70-364; and SNM-1168, Docket 70-1201.

Very truly yours,

C. M. Fink, Manager
