Dear Mr. Brons:

In my letter of March 3, 1986, I invited the participation of your licensing staff in a working level meeting on April 10, 1986. The purpose of this meeting is to discuss issues of mutual interest with the Project Managers in BWR Project Directorate #2 and representatives of other utilities. The meeting has been scheduled to begin at 8:30 a.m. ~~in Room P-118 of the Phillips Building, 7920 Norfolk Avenue, Bethesda, Maryland.~~ By April 4, please provide to your NRC Project Manager the names of those who will attend the meeting.

As you can see by the enclosed agenda, we are attempting to cover a number of areas of interest; yet provide sufficient time for in-depth discussion and questions. I look forward to meeting with the representatives of your utility, and trust it will be a useful day.

Sincerely,

Original signed by
