The Commission has issued the enclosed Amendment No. 48 to Provisional Operating License No. DPR-45 for the La Crosse Boiling Water Reactor (LACBWR). This amendment is in response to your application dated February 4, 1986 as supplemented and clarified by your letter dated March 26, 1986.

The amendment modifies Section 4.2.3 and Section 2.6 of the Technical Specifications describing the replacement and modification of the IC Non-Interruptible Bus.

A Notice of Issuance of Amendment to License related to the requested action will be published in the Commission's biweekly publication notice in the Federal Register. A copy of our related Safety Evaluation is also enclosed.

Sincerely,

ORIGINAL SIGNED BY  
John A. Zwolinski, Director  
BWR Project Directorate #1  
Division of BWR Licensing

The Commission has issued the enclosed Amendment No. to Provisional Operating License No. DPR-45 for the La Crosse Boiling Water Reactor (LACRWR). This amendment is in response to your application dated February 4, 1986 as supplemented and clarified by your letter dated March 26, 1986.

The amendment modifies Section 4.2.3 and Section 2.6 of the Technical Specifications describing the replacement and modification of the 1C Non-Interruptible Bus.

The staff reviewed the circumstances associated with your request and concluded in accordance with 10 CFR 50.91(a)(5), that this change was needed to avoid a delay in the restart of LACRWR.

A Notice of Issuance of Amendment to license and Final No Significant Hazards Consideration Determination and Opportunity for Hearing related to the requested action will be published in the Commission's biweekly publication notice in the Federal Register. A copy of our related Safety Evaluation is also enclosed.

Sincerely,

John A. Zwolinski, Director  
BWR Project Directorate #1  
Division of BWR Licensing
