

JAN 30 1976

Mr. Charles Jennings
Division of Mines and Geology
San Francisco District Office
Ferry Building
San Francisco, California 94111

50-133

Dear Charles:

Thank you for sending me copies of the newspaper clippings regarding the 1908 Eureka earthquake and the map showing the location of the Sweasey ranch.

Enclosed for your information is a copy of a preliminary report written by Thomas Collins entitled "Seismic Hazards at the Humboldt Bay Nuclear Plant." Mr. Collins has taken an active interest in the geology of the Humboldt Bay plant site.

Sincerely,

A. T. Cardone
Geology and Seismology Branch
Division of Site Safety and
Environmental Analysis
