

Docket No. 50-153

MAR 20 1964

Mr. Gene A. Blanc  
Coordinator  
Office of Atomic Energy Development  
and Radiation Protection  
Room 1033, State Capitol  
Sacramento 14, California

Dear Mr. Blanc:

This is to advise that the Atomic Energy Commission has issued an Order, which, in accordance with the attached copy of the licensee's application dated January 16, 1964, extends the expiration date of Provisional Operating License No. DPR-7 to February 28, 1965. The provisional license authorizes Pacific Gas and Electric Company to operate its nuclear reactor located in Humboldt County, California.

Copies of the Order and related Federal Register notice are enclosed.
