Docket No. 050-0133

Attention: Mr. Frederick T. Searls  
Vice President and General Counsel

Gentlemen:

Thank you for your letter dated January 31, 1972, informing us of the actions you have taken in response to our letter of January 11, 1972. We are forwarding a copy of your letter to the Division of Reactor Licensing for their evaluation of the steps you have initiated on a temporary basis to better insure the reliability of the emergency engine-generator at your Humboldt Bay reactor facility. We will verify the implementation of the corrective measures discussed in your letter during subsequent inspections.

If, in the future, you feel this office can be of assistance to you in providing clarification of the reporting requirements of your facility license, please feel free to contact us.

Sincerely,

*R. W. Smith*
