P. O. Box 33189
Charlotte, NC 28242

Gentlemen:

SUBJECT: OCONEE NUCLEAR STATION, DOCKET NOS. 50-269, 50-270 AND 50-287

This letter is in response to Duke Power Company's letter dated January 21, 1986, regarding Revision No. 85-01 of the Oconee Emergency Plan.

Per telephone conversation between Mr. Ron Harris of your office and Mr. Tom Decker of the NRC, RII office and review of your written comments, the definition of annual in the Oconee Emergency Plan does not conflict with IE Information Notice 85-55 since it does not apply to the frequency of exercises.

If you have any questions regarding this matter please contact Mr. Tom Decker at 404-331-2600.

Sincerely,

Virgil L. Brownlee, Chief

Division of Reactor Projects
