Re: Amendment to NRC License #37-11438-02

Dear Dr. Glenn:

Dr. Thomas Gardner, who is presently on our NRC License to use the COM 60 machine, desires to discontinue radiotherapy services as soon as possible. We have arranged for a group including John D. McAllister, M.D., John P. O'Connor, M.D. and Vinod H. Shah, M.D. to continue the practice. At the present time, they are practicing Radiation Oncology under NRC License #37-01-72-02 at St. Francis Medical Center, Pittsburgh, Pennsylvania. I should like to request that you amend our license to include the names of these physicians immediately so that we can continue the treatment of cancer patients without interruption.

Krishnadas Banerjee, Ph.D. from St. Francis Medical Center has already spoken to Miss Doris Foster of your organization today and explained the urgency to her.

Enclosed you will find a check for \$230 to cover the amendment fee. Thank you for your prompt attention to this matter.

Sincerely,

Daniel C. Hamilton, FACHE
Acting Administrator
