Material License: 24-32768-01

I, Greg Blackmore, President of Mid River Asphalt, Inc. have reviewed and am in agreement with the original Application for Material License (Form 313) that was dated 11/27/19. Also, I have reviewed and am in agreement with the letter regarding clarification of the license renewal dated 2/7/2020.

Along with this letter is a revised "Delegation of Authority to Radiation Safety Officer" letter.

If you have any questions please do not hesitate to contact us. Thank you.

Sincerely,

Greg Blackmore  
President

**Model Delegation of Authority to Radiation Safety Officer**

Memo To: Radiation Safety Officer  
From: Chief Executive Officer  
Subject: Delegation of Authority

You, Fred Schuman, have been appointed radiation safety officer and are responsible for ensuring the safe use of radiation. You are responsible for managing the Radiation Protection Program; identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations, when justified, to maintain radiation safety. You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the U.S. Nuclear Regulatory Commission at any time. It is estimated that you will spend \_\_\_\_\_ hours per week conducting radiation protection activities.
