FROM: O. Parr, Chief, Light Water Reactors Branch No. 3, DPM  
SUBJECT: EI&C DRAWINGS - LA SALLE COUNTY STATION, UNITS 1 AND 2

By letter, dated September 20, 1978, Commonwealth Edison Company transmitted Amendment No. 38 to the La Salle County Station, Units 1 and 2 Final Safety Analysis Report. Amendment No. 38 contained Electrical Instrumentation and Control Drawings (Part A & B) tabulated in FSAR Section 1.7. These drawings are to replace the ones which were transmitted by Commonwealth Edison Company letter, dated April 1, 1977, and are now in your possession. The applicant has requested the return of the original drawings.

Please return the drawings transmitted by the applicant on April 1, 1977. They should be returned to Madelyn M. Rushbrook of my staff by November 1, 1978. Her mail stop is 128 Phillips and she can be reached on 492-7896.
