Mr. A. Bill Beach, Regional Administrator
U. S. Nuclear Regulatory Commission
Region III
801 Warrenville Road
Lisle, Illinois 60532-4351

Dear Mr. Beach:

Enclosed is a copy of the Final Exercise Report for the Biennial Radiological Emergency Preparedness (REP) Exercise conducted on July 16, 1996 for the Fermi 2 Nuclear Power Plant. This report was also transmitted to the State of Michigan, FEMA National Office, and to NRC's, Thomas T. Martin, Acting Director, Division of Reactor Program Management.

Please contact Clara Gatewood-Brown at (312) 408-5322 if you have any questions.

Sincerely

Micheile M. Burkett
Regional Director
