Re: Freedom of Information Act Request

Gentlemen:

This is a follow-up to my Freedom of Information Act request No. 87-174. In the course of discussions with Linda Robinson, I agreed to narrow and refine the scope of that request in order to facilitate the NRC's search for records. Accordingly, I hereby request the following records relating to Diablo Canyon Power Plant, Units 1 and/or 2:

1. Attached are the first five pages of a November 3, 1983 Commission meeting; only these five pages were on file in the Public Document Room. Please provide the entire transcript of this meeting.

I hereby commit to pay the costs of processing this request up to \$1,000.00. If the costs are estimated to exceed that amount, please contact me in advance of expending any funds.
