

FEB 13 1997

Docket No. 50-128

Dr. Raymond W. Flumerfelt
Texas Engineering Experiment Station
Texas A&M University System
College Station, Texas 77843-1246

Dear Dr. Flumerfelt:

SUBJECT: TRANSMITTAL OF REACTOR OPERATOR LICENSE CERTIFICATES

I am pleased to forward the enclosed certificates to the following newly licensed individuals at the Texas Engineering Experiment Station Reactor:

<u>NAME</u>	<u>TYPE OF LICENSE</u>
Christopher Curtis Allison	RO
Christopher Michael Bachman	RO
Lawrence David Drees	RO
Scott Craig Stanchfield	RO

The Commission provides these certificates, suitable for framing, to all new operator and senior operator licensees in recognition of the important role licensed operators fulfill in protecting the health and safety of the public, and of the achievement represented by meeting all the NRC requirements for these licenses. These certificates are in addition to the actual license, which is issued, and later renewed, as a letter.

The Commission, Mr. Miraglia and I request that you convey our personal congratulations to each of the recipients of these certificates.

If you have any questions, please contact Seymour H. Weiss, at (301) 415-2170.

Sincerely,

TS
Thomas T. Martin, Director
Division of Reactor Program Management
Office of Nuclear Reactor Regulation
