Dear Mr. Coakley:

Enclosed is a copy of a memorandum to the Regional Administrators from Messrs. Denton and Taylor, dated August 14, 1985. The memorandum describes the approach NRC will be following to evaluate the effectiveness of INPO's Accreditation Program on improving training in the nuclear power industry.

Bill Russell discussed the memorandum with INPO staff while observing the Team Visit at Nine Mile Point last week. He indicated then that we would provide a copy to you.

If you have any questions, call me on 301) 492-4892.

Sincerely,
