To Whom It May Concern,

Enclosed, is a copy of my American Osteopathic Board of Radiology Certificate. I originally requested my name to be added to the NRC License for Youngstown Osteopathic Hospital, #34-05384-01 and at the time I had passed my Boards and only had a letter stating such from the American Osteopathic Board of Radiology. At that time, I agreed to send the certificate when it became available to me. As far as I understand, my name has been added. I was to send this certificate when it became available to me.

If you have any questions, please feel free to contact me at (330) 744-9111.

Respectfully,

Adam G. Crouch, D.O.
