

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

PDR

DEC 14 1979

DOCKET NO. 40-1386

Raytheon Company  
ATTN: Richard J. Merrow  
141 Spring Street  
Lexington, Massachusetts 02173

Gentlemen:

Enclosed is Check 328318, which was submitted for your updated application for renewal of License STB-475.

Your request is not subject to the renewal fee since your original application was filed before the Commission's revised license fee schedule. Your application has been forwarded to our Licensing staff for processing.

Sincerely,

A handwritten signature in cursive script, appearing to read "Douglas Weiss".

Douglas Weiss  
License Fee Management Branch  
Silver Spring Office
