OFFICE OF THE
CHAIRMAN

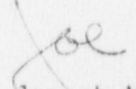

Mr. Carl Walske
President
Atomic Industrial Forum, Inc.
7101 Wisconsin Avenue
Washington, D. C. 20014

Dear Carl:

Thanks for your note of November 28th and the accompanying report of the AIF Study Group on Technical Deterrents to Proliferation.

I have sent it out to the staff for information and review by the appropriate people. We appreciate your keeping us informed when important and interesting reports such as this one are published.

Sincerely,

Joseph M. Hendrie
Chairman
