

## '86 MAR 31 Al1:11

March 24, 1986

United States Nuclear Regulatory Commission Nuclear Materials Safety Section Division of Radiation Safety and Safe Guards Washington, D.C. 20555

Gentlemen:

PDR

870812

We would like to make formal application for renewal of our license issued as follows: St. Peter's Community Hospital 2475 Broadway Helena, MT. 59601 30 -10917

> License # 25-12453-02 Expiration date: 4-30-86 Program code: 02120

After reviewing the license and its authorized uses, we feel that those stated quantities and authorized uses are adequate for our purposes, and we do not feel that at this time it is necessary to make any changes or deletions.

The documents submitted in the past do reflect up to date information concerning management control program, facilities, equipment, personnel, radiation safety procedures, waster disposal procedures and locations of use.

Upon review of the enclosed NRC regulations, our policies and procedures appear appropriate and up to date.

One change that should be made is that of hospital director. Mr. John Guy has replaced Mr. Howard Purcell as Hospital Administrator.

Included below are the names of those individuals who may be contacted with regards to any in fraction regarding license renewal.

Joseph M. Rizza, M.D. Tel. #. (406) 444-2310

John Knebel, CNMT Tel. #. (406) 444-2310

Enclosed is a check to cover the licensing renewal feet.
