Dear Mr. Guinn:

Please accept this letter as a formal request to amend my Radioactive Materials License #45-23077-01 to include the addition of a temporary sub-site location at the address listed below, for the purpose of performing bone densitometry analyses on dialysis patients to monitor their bone loss conditions.

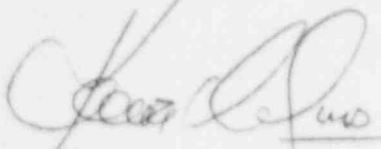

Enclosed is a copy of the facility floor plan with the source-use area designated along with check #2986 in the amount of \$120.00 for the amendment processing fee.
