Re: License Renewal Number 35-17087-01

Gentlemen:

Per "Instructions for Preparation of Application for License Renewal", the following is submitted in the simplified, paperwork reducing manner:

The entirely amended license as it was received in October 1985 (referencing the complete application of September 17, 1981; ALARA program dated February 17, 1981; and letters dated April 29, 1980, December 8, 1980, March 31, 1982, and August 15, 1985) reflects our current program with the following changes:

- 1) Remove Physician Ricketson.
- 2) Add Physician Debra Mitchell, M.D. for groups I, II, and III.
- 3) Change of specific members (not specialties) for the Medical Isotopes Committee to reflect above changes, medical staff changes, and hospital personnel changes occur occasionally but will only be noted in the minutes of the Committee.

Supplements A & B are submitted in duplicate for Debra Mitchell, M.D.; the previous submissions of ALARA (February 17, 1981), complete application (September 17, 1981), response letter (March 31, 1982), amendment letter (April 29, 1980), amendment letter (December 8, 1980), and amendment letter (August 15, 1985) are submitted in duplicate; and the 7b renewal fee of \$580.00 is submitted.

This renewal application was prepared with the help of Max Kubik, M.S., our consulting physicist.

Sincerely,

John D. Fisher, M.D.

John D. Fisher, M.D.
Director, Nuclear Medicine Department
