Re: Docket #50-466  
October 9, 1978

I am writing in reference to the proposed Allen's Creek Nuclear Power Project, and respectfully submit my petition for leave to intervene in the construction permit proceedings.

As a resident of Houston, living only 30 miles from the plant, I am concerned about the safety, health and environmental aspects of the power plant.

Thank you for your attention to this matter.

Sincerely,

*Patricia L. Day*
