Gentlemen:

REPLY TO
INSPECTION REPORT NO. 50-483/97009
CALLAWAY PLANT

This responds to Mr. Arthur T. Howell's letter dated May 9, 1997, which transmitted Inspection Report 50-483/97009. Per your request, we hereby commit to evaluate the feasibility of conducting periodic load tests of the security diesel generator. We further understand this item is being treated as an Inspection Follow-up Item (50-483/97009-01).

None of the information in this response is considered proprietary by Union Electric.

If you have any questions regarding this response, or if additional information is required, please let me know.

Very truly yours,

A handwritten signature in cursive script that reads "J. V. Laux".
