PDR

MAR 2 2 1988

Mr. John Rooney, Director
Division of Politico-Military
Security Affairs
Office of International Security Affairs
U.S. Department of Energy
Washington, D.C. 20585

Dear Mr. Rooney:

Enclosed is an application for an export license received recently by the NRC for 845 kilograms of depleted uranium for hydraulic tests in Canada. The material will be returned ultimately to the United States.

A letter of assurance is required that the material will be subject to all of the terms and conditions of an agreement for cooperation. Your assistance in obtaining the necessary assurance letter will be appreciated.

Please note that the applicant has scheduled an April shipping date.

Sincerely,

Marvin R. Peterson, Assistant Director for International Security Office of Governmental and Public

Affairs
