SUBJECT: COMANCHE PEAK STEAM ELECTRIC STATION (CPSES)
DOCKET NO. 50-445
TECHNICAL SPECIFICATION REVIEW SCHEDULE

REF: C. I. Grimes letter to W. G. Council dated March 2, 1988.

Gentlemen:

The referenced letter provided CPSES with a copy of the second draft technical specifications for CPSES, Unit 1. The referenced letter also requested that TU Electric re-evaluate the schedule for technical specification development. Accordingly, comments on the CPSES second draft technical specifications are scheduled to be submitted to the NRC by June 30, 1988. Also, it is requested that the NRC issue the "Proof and Review" copy of the technical specifications by December 30, 1988. Completion of the technical specification review (issuance of Appendix A to the CPSES Operating License) is anticipated on June 1, 1989.

Very truly yours,

W. G. Council
