Docket No. 50-201

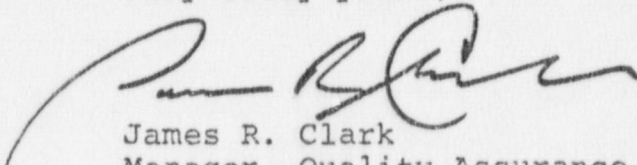

Mr. Richard W. Starostecki, Chief
Fuel Reprocessing and Recycle Branch
Division of Fuel Cycle and Material Safety
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Starostecki:

Please be advised that NFS will submit its evaluation on the specific items addressed in your letter dated June 27th prior to October 16, 1978 rather than the September 30th estimate made in my letter of August 14th.

Very truly yours,

James R. Clark
Manager, Quality Assurance
and Licensing
