Dear Permittee:

Pursuant to the Federal Water Pollution Control act, under the authority granted to the state of Missouri and in compliance with the Missouri Clean Water Law, we have issued and are enclosing your State Operating Permit to Discharge from UE, Callaway Power Plant.

Please read your permit and attached Standard Conditions. They contain important information on monitoring requirements, effluent limitations, sampling frequencies and reporting requirements.

Monitoring reports required by the special conditions must be submitted on a periodic basis. Copies of the necessary report forms are enclosed and should be mailed to the regional office listed below. Please contact that office for additional forms.

This permit is both your Federal Discharge Permit and your new State Operating Permit and replaces all previous state operating permits for this facility. In all future correspondence regarding this facility, please refer to your State Operating Permit number and facility name as shown on page one of the permit.

If you have any questions concerning this permit, please do not hesitate to call this office or our Jefferson City Regional Office at 1511 Christy Dr., P.O. Box 176, Jefferson City, MO 65101, (573) 751-2729.

Sincerely,

WATER POLLUTION CONTROL PROGRAM
