Re: Docket No. 50-160 License No. R-97

Attention: Document Control Desk

Gentlemen:

A letter notifying NRC that federal funding is not available for converting the Georgia Tech Research Reactor fuel from high to low enrichment was sent and was dated March 15, 1987 instead of March 15, 1988. We apologize for the typographical error. Please correct your record accordingly.

Sincerely yours,

R. A. Karam
Director
